

# SIGSL Open Show April 6th 2014

## Joylene Neddermeyer

### Stock Coats

#### Baby Puppy Dog

- 1: **Cantara Quikstitch** Very Promising  
USTNOV VOM ROMERLAND (IMP GER)\* BRADWINS VENUS MOONSHINE\*  
3.5 months well coloured, well pigmented dog of very good proportions and very good type, high withers, firm back, still good length and lay of the croup, the upper arm is of very good length, could be still just slightly better angled, very good hindquarter angulation, stands correct in front with very good masculine head for his age, very good eye colour, one ear is yet to firm, steps slightly narrow at rear, correct in front, the puppy shows a very good bone strength for his age, during movement shows a very good ground covering gait with good back transmission and drive, good forehand reach.
- 2: **Seigerheims Quincy Jones (Imp Aust)** Very Promising  
HATTO VON HUHNEGRAB (IMP GER)\* ZANDRAC MYSTERIOUS WAYS\*  
4 months strong, substantial, well coloured, well proportioned young male of good type, still good withers, firm back, slightly short croup, the upper arm is of good length, could be better angled, very good hindquarter angulation, very good head and expression, very good eye colour, the lower jaw could be a little stronger, shows good sequence of steps for his age, I would not like to see him become any deeper, shows good balanced movement.
- 3: **Unfehlbar Yago** Very Promising  
CH BRADWINS LORD JESTER AMBERG YESSICA  
5.5 months male, strong, well coloured, well pigmented of very good proportions, still good withers, firm back, slightly steep croup, good fore, very good hindquarter angulation, good head and expression, very good eye colour, very good ear carriage, steps correct both front and rear, shows good balanced movement with good back transmission.

#### Puppy Dog

- 1: **Boldova of Taimana** Very Promising  
YESTER VOM FEUERMEHLER (IMP GER TO AUS)\* AIMSWAY LASS VEGAS  
11 months, very large, strong, well coloured, well pigmented, very impressive young male of very good type, very good length of neck, pronounced high withers, firm back, slightly short and slightly steep croup, the upper arm is of good length but should be slightly better angled, very good hindquarter angulation which should not become any deeper, stands correct in front, slightly open feet, very good fore and lower chest development, however the lower chest could still be a little longer, very good masculine head and expression with very good eye colour and very good ear carriage, tends to move slightly cow hocked at rear with the elbows slightly tucked in, during movement shows a very good ground covering gait with pronounced high wither, there is a tendency to be slightly high stepping in front.
- 2: **Sonnenschein Eye of Vegas** Very Promising  
VEGAS VON DONGMIRAN ACARYA PANDEMONIUM  
10 months, scissor bite is very close which is something to watch for the future, above medium size, medium strong, slightly elongated dog of still good type, slightly short neck, good withers, firm back, slightly short and slightly steep croup, the upper arm is of good length, could be slightly better angled, very good hindquarter angulation, stands correct in front with well formed feet, very good masculine head with very good masking and very good eye colour, the ears are set slightly broad, steps correct at rear with good firmness of joints, slightly wide in front where the elbows should be closer laid, during movement shows a balanced ground covering gait where both the hindquarter drive and the forehand reach should be more expansive, the lower chest during movement should be a little longer.

## Junior Dog

1: **Aktahund Take Manhattan**

CH ZETLAND MANHATTON

Very Good

GRAF EDELMANN TAKIN ALL

1 year 7 months, large, strong, substantial dog with still good pigmentation of slightly elongated proportions and very good type, still good neck, normal withers, firm back, well moulded croup which could be a fraction longer, the upper arm is of good length, could be slightly better angled, very good hindquarter angulation with well developed thighs, stands correct in front with slightly open feet, very good forechest development, strong masculine head with medium eye colour, the lower jaw could be a little more developed, the ear set is slightly broad, steps correct at rear where the hocks should be a little firmer, correct in front where the elbows should be a little closer laid, during movement shows a very good ground covering gait with strong hindquarter drive and free forehand reach and very good back transmission, overall he impresses with his overall very good length of stride, ideally the lower chest could still be a little longer.

## Intermediate Dog

1: **Acarya Quortda Fakir**

FAKIR VOM HEINRICHPLATZ (IMP GER TO AUS)\*

Excellent

CH AIMSWAY QUICK TRICKS (IMP AUS)\*

2 years 8 months, 64.5cm. Large, strong, substantial, well proportioned, well pigmented, well coloured dog of very good type, very good length of neck, good withers, firm back, well moulded croup which ideally could be a fraction longer, very good fore and hindquarter angulation with well developed thighs, pronounced fore and underchest development, stands correct in front with slightly flat and open feet, white markings on both the front and rear toes, strong masculine head, very good masking, good eye colour and good ear carriage, impresses with his overall type and harmonious construction, steps slightly narrow at rear with good firmness of joints, correct in front but has a tendency to be slightly high stepping in front, during movement has a very good ground covering gait with strong hindquarter drive and free forehand reach and very good back transmission, overall presents a very good picture in both stance and movement.

2: **Rahkantra Indian-Brave**

RAHKANTRA HIGH AN MIGHTY

Very Good

RAHKANTRA GINA LOLOBRIGIDA

2 years 65.5cm. Large, strong, well coloured and well pigmented dog of overall very good type, good length of neck, good withers, slight dip behind, slightly short and slightly steep croup, the upper arm should be a little bit longer and better angled, very good hindquarter angulation, stands correct in front with balanced chest proportions, very good head, lovely dark eye, very good masking, good ear carriage, steps slightly wide at rear with very good firmness of hock joints, correct in front where the elbows could be a little bit closer laying, during movement shows a very good ground covering gait with balanced hindquarter drive and forehand reach where overall the length of stride could be a little bit longer, the tail could be carried in a slightly more natural manner.

3: **Heathcote Hot to Trot**

SUNHAZE POKER CHIP (IMP AUST)

Very Good

HEATHCOTE DRAMA QUEEN\*

2 years 5 months, 66cm. Large, grey, slightly elongated dog of good type, slightly short neck, good withers, firm back, slightly short and slightly steep croup, the upper arm should be longer and better angled, still good hindquarter angulation, stands correct in front with slightly flat and open feet, good fore and good lower chest development where ideally the lower chest should be a little longer, strong masculine head with very good eye colour, very good strength of the skull and the foreface, good strength of lower jaw, steps slightly narrow at rear with good firmness of joints, correct in front the elbows should be closer laid, during movement shows good ground covering gait where both the hindquarter drive and the forehand reach should be more expansive, the length of the lower chest becomes more evident.

## New Zealand Bred Dog

1: **Acarya Quite a Fakir\***

FAKIR VOM HEINRICHPLATZ (IMP GER TO AUS)\*

Excellent

CH AIMSWAY QUICK TRICKS (IMP AUS)\*

2 years 8 months, 65cm. Above medium size, medium strong, well coloured, well pigmented

expressive dog of very good type, ideally the neck could be a little longer and tends to carry it slightly erect at times, good withers, slight dip behind, firm back, well moulded croup which could be a fraction longer, the upper arm is of very good length, could be slightly better angled, very good hindquarter angulation with strong well developed thighs, stands not quite correct in front with slightly open feet, good fore and lower chest development, presents a very pleasing picture in stance and presented in a very good condition, steps slightly narrow at rear where the hock joints could be a little firmer, correct in front where the elbows could be a little closer laid, during movement shows a very good ground covering effortless gait with strong hindquarter drive and free forehand reach, very good back transmission, particularly pleasing about this dog is his absolutely correct length of lower chest.

2: **Ch Zetland Mad Max \***  
CH BRADWINS LORD JESTER \*

Excellent  
CH ZETLAND HELLFIRE

3 years 10 months, 66cm. Very large, medium strong, slightly elongated dog of very good type, slightly short neck, high withers, firm back, good length of croup which could ideally be set a little less steep, the upper arm while of good length should be better angled, very good hindquarter angulations, pronounced fore and lower chest development, where ideally the lower chest should be a little longer, stands correct in front, ideally the pasterns should be a little longer, very good masculine head with very good masking, very good eye colour, good strength of the skull and the foreface, very good ear carriage, steps narrow at rear where the hock joints should remain firmer, correct in front where the elbows should be closer laid, during movement shows a very good ground covering gait with strong hindquarter drive and forehand reach, the ligamentation over the back remains firm and the length of the lower chest becomes more evident during movement.

3: **Jims Legacee of Kloverhaus**  
RIEKER VON STEILENBERG

Very Good  
KLOVERHAUS DELTA ROSE

3 years 7 months, 66cm. Slight wear on both the upper and lower incisors, strong, still well coloured dog of very good proportions, still strong neck, good withers, slight dip behind, firm back, slightly short and slightly steep croup, the upper arm should be longer and better angled, good hindquarter angulation, the forechest still requires development, very good lower chest development, stands correct in front, very good head and expression, good eye colour, still good masking and good ear carriage, ideally the black saddle should be more pronounced, steps slightly narrow at rear where the hock joints should remain a little firmer, correct in front where the elbows should be closer laid, during movement shows good ground covering gait where both the hindquarter drive and the forehand reach should be more expansive and the withers should be carried slightly higher during movement.

4: **Brojan Rolling Stone**  
SKRIVER'S XATO (IMP SWE)

Very Good  
BROJAN EXTREME

3 years, 64cm. Double P1 upper right, large, medium strong, well pigmented and well coloured dog of slightly elongated proportions, slightly short neck, good withers, slight dip behind, firm back, slightly short and slightly steep croup where the tail is set a little high, the upper arm should be longer and better angled, very good hindquarter angulation, stands correct in front with good head and expression, good eye colour, very good strength of skull and foreface, good ear carriage, has a tendency to throw out left hock joint, steps correct in front where the elbows should be closer laid, during movement shows good ground covering gait where both the forehand reach and the hindquarter drive should be more expansive, for his age he should not become any deeper in chest development and ideally the lower chest should be a little longer, very good back transmission.

### Open Dog

1: **Ch Bradwins Lord Jester\***  
INGO VOM FRANKENGOLD (IMP GER)\*

Excellent  
CH ICCARA PANACHE (IMP AUST)\*

9 years 4 months, 63.5cm. Large, strong, substantial, well coloured and very well pigmented dog of very good type, very good length of neck, high withers, firm back, well moulded croup which could be just a fraction longer, very good fore and hindquarter angulation, pronounced fore and lower chest development, stands correct in front with slightly open feet, very strong expressive true german shepherd dog head with very good eye colour, very good masking and very good ear carriage, the dog is presented in very good condition and overall displays much harmony and type, steps slightly narrow at rear, correct in front, during movement shows very good ground covering gait with strong hindquarter drive and free forehand reach and very good back transmission.

- 2: **Kriegerhund Jake the Muss** Excellent  
 BROJAN EXTRA SPECIAL KRIEGERHUND FABERGE  
 5 years 2 months, 65cm. Very large, medium strong, slightly elongated dog of very good type, still good length of neck, high withers, firm back, slightly short and slightly steep croup, the upper arm could be longer and better angled, very good hindquarter angulation, stands correct in front with well formed feet, balanced chest proportions, good head, very good eye colour and good masking and good ear carriage, steps slightly narrow at rear where the hock joints should be a little firmer, correct in front where the elbows should be closer laying, during movement shows good ground covering gait where both the hind quarter drive and forehand reach could be a little more expansive, very good back transmission.
- 3: **NZ Ch Sabaranburg Highlander (Imp Aus)\*** Excellent  
 CH SABARANBURG ESKO\* HINTERHAUS DAIQUIRI\*  
 3 years 5 months, 65.5cm. Large, medium strong, slightly elegant dog of still good proportions, very good length of neck, good withers, slight dip behind, firm back, well moulded croup which could be just a little longer, the upper arm should be longer and better angled, very good hindquarter angulation, stands correct in front with slightly open feet, the forechest still requires further development, very good lower chest development however the lower chest could be a little longer, good head and expression with good eye colour, the masking however should be more pronounced and the ears are slightly concave in appearance, steps slightly narrow at rear where the hock joints are loose, wide in front where the elbows should be closer laid, during movement shows good ground covering gait with balanced hindquarter drive and forehand reach, very good back transmission, the dog presents a better picture in movement than he does in stance.
- 4: **Mac von Noriswand (Imp Ger)** Very Good  
 BOOMER VOM POLARSTERN WINONA VON DER NORISWAND  
 3 years 3 months, 64.5cm. Large, strong dog of still good proportions, slightly short neck, good withers, slight dip behind, firm back, slightly short and steep croup, the upper arm should be a little bit longer and better angled, very good hindquarter angulation, the forechest still requires further development, very good lower chest development, stands correct in front with slightly open feet and slightly upright pasterns, very good head, very good expression, very good eye colour with very good masking and very good ear carriage, steps slightly narrow at rear, wide in front where the elbows are tucked in, during movement shows very good ground covering gait where both the hindquarter drive and forehand reach could be a little more expansive, very good back transmission.
- 5: **Hundmeister Bring It On** Very Good  
 SKRIVER'S XATO (IMP SWE) STATTLICH HALEYS COMET\*  
 5 years 9 months 64.5cm. Very large, medium strong slightly elongated dog of good type, slightly short neck, good withers, slight dip behind, firm back, slightly short and slightly steep croup, the upper arm should be longer and better angled, very good hindquarter angulation, stands not quite correct in front with slightly open feet, good head, medium eye colour and good masking where the ears are set slightly broad, the lower jaw should be a little more developed, steps slightly narrow at rear where the hock joints could be a little firmer, correct in front where the elbows should be a little closer laid, during movement shows very good ground covering gait with strong hindquarter drive, the forehand reach however should be a little freer with a tendency to slightly high step in front, the length of lower chest should be a little longer.

### **Baby Puppy Bitch**

- 1: **Aktahund All Taken** Very Promising  
 CH OAKWAY QUIZ MASTER GRAF EDELMANN TAKIN ALL  
 5.5 months. Above medium size, well coloured, well pigmented bitch of overall very good type, ideally the neck could be a little longer, good withers, firm back, slightly short croup, the upper arm should be a little longer and better angled, very good hindquarter angulation, particularly impressive of this young bitch is her very good expression, very lovely feminine head with very good eye colour and very good ear carriage and absolutely impressive marking on both the skull and the foreface, tends to move with hock joints slightly close, correct in front with good firmness of elbows for her age, shows very good ground covering movement with good back transmission.

- 2: **Heathcote Katie Girl** Very Promising  
CH USTINOV VOM ROMERLAND (IMP GER)\* HEATHCOTE FAMOUS STAR\*

5.5 months, Large, medium strong, well proportioned, well coloured, well pigmented bitch of good type, good head and expression, good eye colour, slightly round eyes, good length of neck, good withers, firm back, slightly short and slightly steep croup, the upper arm should be longer and better angled, very good hindquarter angulation, steps slightly narrow at rear with very good firmness of hock joints for her age, steps correct in front with good firmness of elbows, shows good ground covering gait with very good back transmission, just overall the bones could be a little stronger.

### Puppy Bitch

- 1: **Vonlovatt Boddycious** Very Promising  
VEGAS VON DONGMIRAN (IMP NETH) CH OLDFIELDS KARLY

6.5 months, bitch that stands within the desired standard of size for her age, very feminine, expressive, well constructed bitch of very good proportions, still good length of neck, high withers, firm back, well moulded croup which could just be a little longer, while the upper arm could be just a little longer it displays a very good angle, very good hindquarter angulation, stands correct in front with a very good feminine head, very good eye colour, good masking, ideally the ears could be placed a little higher on the skull, very good fore and lower chest development, in stance presents a very good picture and harmonious construction, steps slightly narrow at rear with very good firmness of hocks, correct in front with very good firmness of elbows for her age, during movement shows a very good ground covering gait with balanced hindquarter drive and forehand reach and back transmission displaying a very good topline.

- 2: **Beat The Odds of Taimana** Very Promising  
YESTER VON FEUERMELEDER (IMP GER TO AUS)\* AIMS WAY LASS VEGAS

11 months, strong, substantial, well constructed bitch of very good type, good length of neck, normal withers, firm back, slightly short and slightly steep croup, the upper arm should still be longer and better angled, very good hindquarter angulation, stands correct in front, good eye colour, the masking could be a little more pronounced on the foreface, the right ear is not absolutely firm, very good fore, very good lower chest development where the lower chest should be a little bit longer, the lower jaw should be a little more developed, steps with hock joints slightly close, correct in front where the elbows should still be closer laying, during movement shows very good ground covering gait with strong hindquarter drive and free forehand reach and very good back transmission, the right ear should be carried firmer during movement.

- 3: **Booty Call of Taimana** Very Promising  
YESTER VOM FEUERMELEDER (IMP GER TO AUS)\* AIMS WAY LASS VEGAS

11 months, above medium size, strong, slightly compact bitch of very good type, ideally the neck should be a little longer, high withers, firm back, good length of lay of croup which could be set a little less steep, the upper arm while of still good length should be better angled, very good hindquarter angulation, stands correct in front, the pasterns ideally should be a little firmer, good head and expression, good masking, dark eye colour, the eyes are slightly round, good ear carriage, good fore and very good lower chest development where ideally the lower chest could be a little longer, steps slightly narrow at rear with good firmness of joints, correct in front with good firmness of elbows, during movement shows a very good ground covering gait with balanced hindquarter drive and free forehand reach, with maturity the lower chest should not become any deeper, slightly long tail.

- 4: **Sundaneka Viva la Vida (Imp Aus)** Very Promising  
USTINOV VOM ROMERLAND (IMP GER TO AUS)\* SUNDANEKA BONNIE BELL\*

8 months, above medium size, strong, feminine, well coloured and well pigmented bitch of very good type, ideally the neck should be a little longer, slightly flat withers, slight roach over the loin, the croup while of good length should be set slightly less steep, the upper arm should be longer and better angled, very good hindquarter angulation, stands correct in front, good head, medium eye colour, very good strength of foreface, and the skull for her age, would like to see the masking a little more pronounced, good fore and lower chest development, steps slightly narrow at rear, correct in front, with good firmness of hock and elbow joints for her age, during movement shows good ground

covering gait where both the hindquarter drive and forehand reach should be more expansive, very good back transmission, slightly long tail, the ears ideally should be carried firmer during movement.

5: **Klausenburg G-Know-Me**

VEGAS VON DONGMIRAN (IMP NETH)

Very Promising

KLAUSENBURG DAWN-RAIDER

7.5 months, grey sable bitch of above medium size and medium strength, compact in proportions, good length of neck, good withers, slight nick behind, firm back, slightly short and slightly steep croup, the upper arm ideally should be longer and better angled, very good hindquarter angulation, stands correct in front, good feminine head, good expression, good eye colour, good ear carriage, good fore and very good lower chest development, steps slightly narrow at rear but with very good firmness of hock joints, correct in front with good firmness of elbows for her age, during movement shows good ground covering gait where both the hindquarter drive and the forehand reach should be more expansive, the restriction in the length of the lower chest becomes more evident during movement.

6: **Sonnenschein Envy Me**

VEGAS VON DONGMIRAN (IMP NED TO AUS)\*

Very Promising

ACARYA PANDEMONIUM

10 months. Slightly dropped lower incisors, large strong substantial, well coloured and well pigmented bitch of good type, good length of neck, good withers, slight dip behind, firm back, well moulded croup which could be just a little longer, the upper arm should be longer and better angled, very good hindquarter angulation with good breadth of thighs, stands not quite correct in front with slightly open feet, good strong head with very good eye colour and very good ear carriage, very good fore and pronounced lower chest development, steps slightly narrow going and wide in front, during movement shows good ground covering gait where the hindquarter drive and the forehand reach should be more expansive with a tendency to pace.

7: **Sonnenschein Empress Pam**

VEGAS VON DONGMIRAN (IMP NED TO AUS)\*

Very Promising

ACARYA PANDEMONIUM

10 months, Large, medium strong, well coloured and well pigmented bitch of good type, ideally the neck could be a little longer, good withers, slight dip behind, firm back, well moulded croup that could just be a fraction longer, the upper arm is of quite good length but should be slightly better angled, very good hindquarter angulation, stands correct in front with a strong but still feminine head, good masking, very good eye colour, the ears are set slightly broad, steps slightly narrow at rear, correct in front with good firmness of elbows for her age, during movement shows good ground covering gait where both the hindquarter drive and the forehand reach should be more expansive, ideally the ears should be carried a little firmer during movement, the lower chest should be a little longer.

## Junior Bitch

1: **Aktahund Take A Moment**

CH ZETLAND MANHATTON

Very Good

GRAF EDELMANN TAKIN ALL

1 year 7 months, 59cm. Large, medium strong grey bitch of overall harmonious construction but could still be slightly longer in proportions, high wither, firm back, slightly short and slightly steep croup, the upper arm while of good length could be slightly better angled, very good hindquarter angulation, stands correct in front with slightly open feet, very good feminine head and expression with very good eye colour and very good ear carriage, maybe could be slightly stronger in the foreface, very good fore and lower chest development where ideally the lower chest could be a little longer, steps narrow at rear where the hock joints should remain a little firmer, correct in front with good firmness of elbows, ideally maybe the bone strength should be a little stronger overall, during movement shows very good ground covering gait with strong hindquarter drive and free forehand reach and very good back transmission, presents a very good picture in both movement and stance and displays an effortless free flowing gait.

2: **Zetland Nikita**

CH BRADWINS LORD JESTER \*

Very Good

CH ZETLAND HELLFIRE

1 year 7 months 61cm. Very large, strong, substantial, well constructed bitch that displays much harmony, very good length of neck, good withers, firm back, very good croup, the upper arm while of good length should be slightly better angled, very good hindquarter angulation, very good fore and lower chest development, however the lower chest ideally should be longer, stands correct in front with slightly open feet, very good head and expression, very good masking, very good eye colour and very good ear carriage, ideally would like to see the black saddle markings a little more pronounced,

steps slightly narrow at rear where the hock joints could remain a little firmer, correct in front with good firmness of elbows, during movement shows very good ground covering movement with good hindquarter drive and forehand reach, the ligamentation over the back could remain a little firmer, overall presents a very harmonious picture in both stance and movement however she should not become any deeper with age.

- 3: **Ch Auberne Be My Jo-Jo** Very Good  
NZ CH SABARANBURG HIGHLANDER (IMP AUS)\* CH AUBERNEE SIMPLY STUNNING\*  
1 year 10 months, 61cm. Large, medium strong bitch of still good proportions and type, good length of neck which has a tendency to be carried in a slightly erect manner, good withers, slight dip behind, firm back, slightly short and slightly steep croup, very good lay of the shoulder blade, the upper arm is quite well laid but should be longer, very good hindquarter angulation, stands correct in front with slightly open feet, good head and expression where the masking should be more pronounced both on the skull and foreface, very good eye colour, very good ear carriage but the ears are slightly large, very good fore and underchest development although the lower chest should be a little longer, ideally the gold colour could be a little bit more intense, a tendency to throw out the left hock when moving away, steps correct in front where the elbows should be a little closer laid, during movement shows good ground covering gait with strong hindquarter drive, the forehand reach however should be a little freer and the ligamentation over the back should remain a little firmer.
- 4: **Daisy Chip von Gavarol** Good  
SUNHAZE POKER CHIP (IMP AUS)\* TOFFEE POP VON GAVAROL  
1 year 11 months 61cm. Very large, strong substantial grey bitch who ideally the black saddle points could be more pronounced, good length of neck, good withers, firm back in stance, slightly short and slightly steep croup, the upper arm while of good length should be slightly better angled, very good hindquarter angulation with good breadth of thigh, stands correct in front with open and flat feet where the pasterns could be a lot firmer, very good head and expression, good eye colour although they are slightly round, very good ear carriage although the ears are slightly large, good fore and pronounced lower chest development, moves with hock joints closed, correct in front where the elbows should be closer laying, during movement shows good ground covering gait with balanced hindquarter drive and forehand reach, the ligamentation over the back should remain a little firmer, the slightly short lower chest becomes more evident during movement, overall the bitch should be presented in a slightly less heavy condition.
- 5: **Schicksal Angel-Of-Desire** Good  
CH BLACKCREST FROM AFAR\* HEATHCOTE COOL CHICK\*  
1 year 8 months, 62cm. Very large, medium strong, slightly elongated bitch of very good colour and pigmentation, ideally the neck could be a little longer, high withers, firm back, slightly short and slightly steep croup, the upper arm while of good length should be slightly better angled, very good hindquarter angulation, stands correct in front with slightly upright pasterns, good fore and very good lower chest development, maybe the coat could be a little more profuse, good head, good masking, medium eye colour, good ear carriage, steps slightly wide at rear, slightly narrow in front where the elbows should be closer laying, during movement shows balanced ground covering gait, displaying a very good length of stride and very good back transmission, this bitch presents a better picture in movement than she does in stance.
- 6: **LaRycia Gotta Dream** Ungraded  
AIMSWAY ARMED 'N' DANGEROUS LARYCIA ABRACADABRA\*  
1 year 8 months, 63cm. Very large, medium strong, slightly elongated bitch, grey sable in colour, very good length of neck, good wither, slight dip behind, firm back, very good length and lay of the croup, the upper arm should be longer and better angled, very good hindquarter angulation, stands correct in front with slightly open feet where the pasterns should be firmer, good head, good eye colour although the eyes are slightly round, good ear carriage, forechest still requires development, very good lower chest development which ideally should be just a little longer, steps correct at rear with good firmness of joints, narrow in front where both the elbows should be closer laying, during movement shows good ground covering gait with balanced hindquarter drive and forehand reach, the tail is quite long and should be carried in a more natural manner, the length of the lower chest becomes more apparent during movement.

## Intermediate Bitch

- 1: **Ch Acarya Quick Fire\*** Excellent  
FAKIR VOM HEINRICHPLATZ (IMP GER TO AUS)\* CH AIMSWAY QUICK TRICKS\*  
2 years 8 months, 59.5cm. Very large, strong, substantial, well constructed harmonious bitch of very good type, very good length of neck, high withers, slight nick behind, firm back, slightly short and slightly steep croup, stands slightly wide in front with slightly open feet, good head and expression, good eye colour, the masking ideally could be a little more pronounced and the ears are slightly broad onto the skull, very good fore and very good lower chest development, very good length of underline, slight white markings on both the rear feet, slightly narrow at rear with good firmness of joints, slightly wide in front where the elbows could be closer laying, during movement shows very good ground covering gait with strong hindquarter drive and free forehand reach, very good back transmission, the bitch impresses with her overall construction and very good brood type.
- 2: **Brojan Taboo** Very Good  
KRIEGERHUND JAKE THE MUSS BROJAN PISCHA  
2 years 1 month, 59.5cm. Slight misalignment of the lower incisors, large, medium strong, slightly elongated bitch of very good type, ideally the neck should be a little longer and carried in a slightly less erect position, good withers, firm back in stance, slightly short and slightly steep croup, the upper arm while of good length should be better angled, very good hindquarter angulation, stands correct in front with slightly upright pasterns, the black saddle markings should be slightly more defined, good head, good eye colour, very good ear carriage, moves correct behind, correct in front with good firmness of joints, presented in very good coat condition, during movement shows good ground covering gait with strong hindquarter drive, the forehand reach however should be a little freer and there is a slight tendency to high step in front.
- 3: **Sonnenschein Dequila** Very Good  
EROS VOM FRANKENGOLD (IMP GER) SONNENSCHN CO S I AM  
2 years, 60cm. Above medium size, medium strong, well coloured and well pigmented bitch of good type, slightly short neck, high withers, firm back, slightly short and slightly steep croup, the upper arm should be longer and better angled, very good hindquarter angulation where ideally there should be more breadth of thigh, stands correct in front with slightly soft pasterns, good head, good masking, very good eye colour and good ear carriage, ideally the lower jaw should be a little more developed, good fore and very good lower chest development where ideally the lower chest should be a little longer, steps correct both front and rear with good firmness of both hocks and elbows, during movement shows good ground covering gait where both the hindquarter drive and the forehand reach more expansive and the length of the lower chest becomes more evident.

## New Zealand Bred Bitch

- 2: **Aktahund True Story** Very Good  
CH ZETLAND MANHATTON GRAF EDELMANN TAKIN ALL  
1 year 7 months, 58.5cm. Large, medium strong grey sable bitch of still good proportions, very good length of neck, high withers, slight nick behind, firm back, slightly short and slightly steep croup, the upper arm while of good length should be still better angled, very good hindquarter angulation however would like to see more breadth of thigh, good fore and very good underchest development, stands correct in front with slightly upright pasterns, good head, ideally both the skull and the foreface should be larger, somewhat large ears although still good carriage, steps slightly narrow at rear with good firmness of joints, correct in front where the elbows should be a little closer laid, overall for her size and her age she should be a little stronger in bone and overall substance, during movement shows good ground covering gait where overall both the hindquarter drive and forehand reach should be a little more effective, a slightly long tail that could be carried in a slightly more natural manner.
- 1: **Hundmeister Have It Your Way** Very Promising  
KRIEGERHUND JAKE THE MUSS STATTLICH HALEYS COMET\*  
1 year 6 months, 60cm. Large, strong, substantial bitch of very good proportions, high withers, firm

back, slightly short and slightly steep croup, the upper arm while of good length could be slightly better angled, very good hindquarter angulation, stands correct in front with slightly open feet, very good head and expression, good eye colour, good ear carriage in stance, good fore and lower chest development where ideally the lower chest should be a little longer, steps correct at rear with good firmness of joints, correct in front where the elbows could be a little closer laying, during movement shows good ground covering gait, strong hindquarter drive, the forehand reach however should be a little more expansive and the ligamentation over the back could remain a fraction firmer, the short length of the lower chest becomes more apparent during movement.

3: **Aktahund True That**

CH ZETLAND MANHATTON

Ungraded

GRAF EDELMANN TAKIN ALL

1 year 7 months, 62.5cm. Large, medium strong bitch with a very good length of neck, high withers, firm back, good length of croup which ideally should be set a little less steep, the upper arm while of good length should be better angled, very good hindquarter angulation with good breadth of thigh, stands correct in front with slightly open feet, good head, medium eye colour and good ear carriage, good fore and very good underchest development however the lower chest should be a little longer, steps correct at rear with good firmness of joints, correct in front where the elbows should be a little closer laying, during movement shows a good ground covering gait with strong hindquarter drive, the forehand reach however should be more effective and the length of the shortness of the lower chest becomes more apparent during movement, slightly long tail.

### Open Bitch

1: **Ch Oldfields Karly\***

STÄTTLICH GOLD RUSH

Excellent

SEIGEN NEXT EDITION (IMP AUST)

6 years 9 months, 60.5cm. Double P1 lower right. Large, strong, substantial, very well constructed bitch of harmonious construction, absolutely correct length of neck that flows into a lovely topline and also into a very good croup formation, very good fore and hindquarter angulation, the bitch oozes her femininity and her overall harmony, stands correct in front, very good head and expression with lovely dark eyes and good masking even though starting to show some signs of maturity, very good ear carriage, very good fore and lower chest development, very good length of lower chest, particularly praiseworthy is her lovely flowing topline, steps correct in rear with very good firmness of joints, correct in front where the elbows could be a little closer laying, during movement shows a very good ground covering gait with very good hindquarter drive and free forehand reach and at all times maintains a lovely firm topline, the bitch shows great enthusiasm in running and present a very lovely picture in both stance and in movement.

2: **Aktahund Keep Takin All**

KANTENNA HUNTER (IMP AUS)

Excellent

GRAF EDELMANN TAKIN ALL

3 years 3 months, 59cm. Above medium size, beautifully coloured and pigmented grey sable bitch of very good type, good length of neck, high withers, firm back, well moulded which could still be a fraction longer, the upper arm is well angled however could be longer, very good hindquarter angulation, stands correct in front, very good feminine head, ideally the eyes could be a little darker, ears could be slightly higher placed on the skull, overall presents a very pleasant picture in stance, has a tendency to throw out the left hock, stands correct in front however the elbows should be closer laying, during movement shows very good ground covering gait with strong hindquarter drive and free forehand reach, whilst maintaining a very good topline and very good length of stride, presented in a very good condition today.

3: **Hundmeister All About Me**

AUS CH KWINT VOM JUERIKSTALL (IMP NETH TO

Excellent

STÄTTLICH HALEYS COMET\*

4 years 4 months, 61cm. Very large, strong, substantial bitch of very good type and anatomical construction, very good length of neck, good withers, firm back, slightly short and slightly steep croup, the upper arm while of good length could be still slightly better angled, very good hindquarter angulation, stands correct in front where ideally the pasterns could be a little firmer, good head and expression with good masking, good eye colour, the ears ideally could be placed slightly higher on the skull, good fore and pronounced lower chest development, presented in very good coat condition, steps correct at rear with very good joints, correct in front with good firmness of elbows, ideally would like to see the planes of the skull and the foreface a little more correct and the lower jaw a little bit more developed, during movement shows very good gait with very balanced hindquarter drive and

forehand reach while maintaining a firm topline, at times would like to see her show a little more enthusiasm.

- 4: **Bradwins Venus Moonshine\*** Excellent  
OB CH & CH BRADWINS SLY HIGHLANDER CDX\* CH ICCARA PANACHE (IMP AUS)\*  
6 years 2 months, 60.5cm. Very large, strong substantial, very well constructed bitch of very good proportions and harmonious construction, very good length of neck which at times has a slight tendency to be held erect, good withers, firm back, well moulded croup which could be a fraction longer, the upper arm which is of good length could be slightly better angled, very good hindquarter angulation, stands correct in front where ideally the pasterns could be a little firmer, stands correct in front, feminine expressive head with very good masking, very good eye colour, very good ear carriage, good fore and very good lower chest development with very good length of the lower chest, has a tendency to throw out the left hock joint, correct in front where the elbows could be a little closer laying, during movement shows a very good ground covering gait with strong hindquarter drive and free forehand reach while maintaining a firm back, good length of stride, maintains a very good topline.
- 5: **Aimsway Lass Vegas (Imp Aust)** Excellent  
VEGAS VAN DONGMIRAN (IMP NETH) AIMSWAY WINNEE  
3 years 8 months, 60.5cm. Very large, strong, substantial bitch of very good brood type, very good length of neck, good withers, firm back, good length of croup which could ideally be set a little less steep, the upper arm while of good length should be better angled, the hindquarter angulation should not become any deeper, stands correct in front with a strong but still feminine head, very good masking, very dark eye colour, slightly large ears that could ideally be set slightly higher on the skull, good fore and very good lower chest development, presented in very good coat condition, moves with hock joints close, slightly wide in front where the elbows are slightly tucked in, during movement shows a very good ground covering gait with strong hindquarter drive and free forehand reach while maintaining a very good topline, ideally would like to see the bitch slightly longer in proportions.
- 6: **Graf Edelmann Takin All** Excellent  
SKRIVER'S XATO (IMP SWE) CH GRAF EDELMANN TOSCAS EFFECT\*  
6 years 7 months, 59cm. Large, strong grey bitch of very good type, very good length of neck, good withers, firm back, slight restrictions in the length and lay of the croup, the upper arm while of good length could be slightly better angled, very good hindquarter angulation with very good breadth of thigh, very good fore and underchest development, stands correct in front with slightly open feet where the pasterns could be a little firmer, very good expressive feminine head with very good markings, very good eye colour, very good ear carriage, has a tendency to throw out the left hock, correct in front where ideally the elbows should be a little closer laying, during movement shows very good ground covering gait with strong hindquarter drive and free forehand reach and also maintains a very lovely topline during movement.
- 7: **Heathcote Famous Star\*** Excellent  
SUNHAZE POKER CHIP (IMP AUS) HEATHCOTE DRAMA QUEEN\*  
3 years, 61cm. Large, medium strong, grey bitch of still good proportions, ideally the neck should be a little longer, good withers, slight dip behind, firm back, slightly short and slightly steep croup, the upper arm should be a little longer and better angled, very good hindquarter angulation with very good breadth of thigh, stands correct in front where the pasterns should be a little firmer and slightly flat open feet, good head and expression with good eye colour with good ear carriage, good fore and very good lower chest development, steps slightly narrow at rear with hock joints close, correct in front where elbows should be a little closer laying, during movement shows good ground covering gait with balanced hindquarter drive and free forehand reach, the length of the lower chest becomes a little more apparent during movement.
- 8: **Klausenburg Espresso** Excellent  
ENG & NZ CH PHILIP AUS DER NEUEN KLAUSENBURG CAPPUCCINO  
5 years 5 months 60cm. Large, strong, substantial grey bitch of overall very good type and very good proportions, good length of neck, good withers, slight nick behind, firm back, slightly short and slightly steep croup, the upper arm should be longer and better angled, very good hindquarter angulation with very good breadth of thigh, particularly noteworthy is her good strength of bone, she has a strong but still feminine head which is very expressive, very good masking, very good eye colour and very good

ear carriage, very good fore and very good lower chest development, steps correct at rear with very good firmness of joints, correct in front where the elbows could be a little closer laying, during movement shows very good ground covering gait with strong hindquarter drive, the forehand reach however could be a little bit freer and the ligamentation over the back could remain a little firmer.

9: **Zetland Madam Mya \***

CH BRADWINS LORD JESTER \*

Excellent

CH ZETLAND HELLFIRE

3 years 10 months, 58cm. Above medium size, medium size, slightly elongated bitch of very good type and overall construction, very good length of neck, high withers, firm back, slightly short croup, the upper arm while of good length should be better angled, very good hindquarter angulation, stands correct in front with slightly upright pasterns and slightly open elbows, good head and expression with dark eyes and very good masking, the ears are a little large and are slightly hooded in appearance, the forechest still requires development, very good lower chest development where ideally the lower chest could be a little longer, steps slightly narrow at rear, correct in front where the elbows could be a little closer laying, would like to see the lower jaw a little more developed, during movement shows very good ground covering gait with strong hindquarter drive, the forehand reach should however be a little more expansive, ligamentation over the back should remain a little firmer, slightly long tail.

## Long Stock Coats

### Junior Dog

1: **Brojan Ultimate Storm**

Ch ZETLAND MANHATTON

Very Good Select

BROJAN KENTUCKY ROSE

13 months 64.5cm. Black and tan long stock coat male of good bone strength, good proportions and very good type, good head and expression with good width of skull and foreface and good eye carriage, the eye colour could be a little bit darker, high withers, firm back, slightly steep croup, the upper arm is of good length, should be slightly better angled, very good hindquarter angulation with a good breadth of thigh, stands correct in front, good fore very good lower chest development where would ideally like to see the lower chest a little longer, steps slightly narrow at rear, wide in front where the elbows should be a little closer laying, during movement shows very good ground covering gait with very good hindquarter drive and free forehand reach, the ligamentation over the back could remain a little firmer.

### Open Dog

1: **Reichund ACDC**

Ch REICHUND MEET YA MAKER

Excellent

REICHUND ORR-SOME

5 years 7 months 64cm. Very large medium strong richly coloured and richly pigmented dog of overall very good type, very good length of neck, good withers, slight nick behind, firm back, long but slightly steep croup, the upper arm is long but could be better angled, stands on the border of angulation of the hindquarter which should not become any deeper, stands correct in front with open feet where the pasterns should be a lot firmer, good head and expression, good masking, good eye colour and good

ear carriage, good fore and pronounced lower chest development where ideally the lower chest should be a little longer, the scissor bite is quite close, moves very narrow at rear with hock joints loose, correct in front where the elbows should be closer laying, there is a tendency to be slightly high stepping in front, during movement shows a very good hindquarter gait with strong hindquarter drive, the forehand reach however should be a little more expansive and there is a tendency to be slightly high stepping in front and a flicking of the pasterns.

### **Baby Puppy Bitch**

1: **Heathcote Katie Perry**

Ch USTINOV VOM ROMERLAND IMP GER

Very Promising

HEATHCOTE FAMOUS STAR

5.5 months above medium size grey baby puppy female of overall very good type, very well coloured and pigmented, very good head and expression, good withers, good length of neck, ideally would like to see the croup a little longer and less steep, the upper arm should be slightly longer and better angled, very good hindquarter angulation, stands correct in front, good breadth of skull and foreface, the eye colour should be a little darker, good ear carriage, for her age a good stage of development for her chest proportions, steps slightly narrow at rear with normal puppy hock joint infirmness, correct in front, during movement shows good ground covering gait with strong hindquarter drive, the forehand reach could be a little freer and the lower chest ideally should be a little longer but overall is a well constructed young puppy.

### **Puppy Bitch**

1: **Reichund Ohso Devius**

ACARYA QUITE A FAKIR

Very Promising

GLENNKA YANA

10 months above medium size, medium strong, expressive, very well constructed bitch of very good type, very good length of neck, high withers, firm back, very good lay of the croup, the upper arm ideally should be longer and better angled, very good hindquarter angulation, stands correct in front with slightly open feet, very good head and expression, exudes much femininity and is overall very good type with very good masking, very good eye colour, depicts exactly what a long stock coat should envisage with the right amount of coat and profuseness, very good fore and underchest development, steps slightly narrow at rear, correct in front, while still young the elbows could be closer laid, slightly long tail, during movement shows a very good ground covering gait with strong hindquarter drive and free forehand reach, whilst maintaining a very good topline with a very good length of stride, overall a very pleasing young bitch.
