

# OGSDC Champ Show 22nd Feb

Judge Dennis Vessey (UK)

Many thanks to the Otago German Shepherd Dog Club for the invitation to judge at their special 40<sup>th</sup> anniversary Championship Show. It was indeed a privilege and an honour. I was presented with a splendid large ring and was supported by my capable duo of steward Steve Proctor and stenographer Maureen Mullany. Extended thanks also to Margaret Fergusson and Liz Wilkinson and last but certainly not least, Gavin and Carol Black for being such great hosts during my stay.

Universally the overall quality of the females appears to be higher than the males and this was indeed the case in New Zealand.

The main issues were oversize, short and/or steep croups and upper arms. However, uniformity of type was excellent, especially the Open Bitch class, an excellent class throughout, were most, along with several other female class exhibits were of a standard that could compete successfully in mainland Europe.

My thanks to the breeders and exhibitors for the opportunity to assess some excellent quality specimens of our breed. I wish them all the very best with their future breeding programmes.

Unless otherwise stated all exhibits were of the colour black and tan. Only one with a temperament failing and again one with a dentition problem – this being extra premolars. All males presented were entire.
